LOUDER Than Hell and also Rain or Shine, both are W:O:A slogans and true it is, a great festival that will enlighten also in 2016 again 75.000 Metalheads having the best time of their summer.

Just in time for this year Hell will be released and everyone can reminisce and indulge oneself with this fabulous line up. So many highlights and the heart of every fans is gonna beat faster.

Where else do you get such load of springing charge and concentrated passion of the coolest heavy and rock bands? And with this release you are not only enjoying the CD you can also watch the bands again on the double DVD. Just to drop some names: Judas Priest, In Flames, Annihilator, Danko Jones, Uli Jon Roth, Europe, Cradle Of Filth, and newcomers like Beyond The Black and many, many more.

On 8 stages, more than 120 bands were performing. Gigantic!

This DVD can only cover an excerpt of all the performances, otherwise it would go far beyond the scope but be sure that everything you want is on there!

This double live DVD / CD is a must have for all fans!
