Sunday, 03 November 2019 23:21 -

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of October – all of which are still available from the On Demand Player. There are tracks by around 140 different artists on the Shows this month. Playlists for September were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3672-ni-rocks-playlists-for-september-2019.html>

This month the Friday NI Rocks Show on 11th October included interviews with Magnus Karlsson from The Ferryman, Primal Fear etc and David Ellefson from Megadeth. The latter interview was repeated again with some additional tracks on 25th October.

All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html>

The Shows this month also featured special promo interviews with Alter Bridge and Airbourne.

I posted 10 album / EP recommendations during October for recent releases by Kobra and the Lotus, Wicked Stone, Fathom Farewell, Sifting, Age of Reflection, Soren Andersen, The Ferryman, Burnt Out Wreck, Michael Sweet and Stargazer- <http://www.rockradioni.co.uk/back-stage/music-reviews.html> . There are more recommendations, for albums released towards end of October, still to be posted.
